🌐 cranberryglobal.com

For over 30 years, Cranberry has been a pioneering brand committed to designing products you can rely on to provide the strength in protection and superior comfort needed to make it through your day. Building upon our industry leadership and understanding of your personal protection needs as a dental professional, we will continue to deliver unique customer solutions.

With ultimate hygiene in mind, Cranberry products are First Touch[®] manufactured, examined, and packaged with zero direct skin contact exposure. Look for our First Touch[®] logo and be assured that you are doing the best you can to protect yourself and your patients.

All Cranberry gloves are packaged in the proprietary 1 Direction[™] packaging which allows each glove to be dispensed by the cuff, minimizing direct skin contact with the finger and palm surfaces of the glove. This innovative packaging technology helps reduce the risk of cross contamination.

DRIVEN BY INNOVATION

1st to launch Lanolin and Vitamin coated gloves

1st to launch Skin Health face masks

Ergonomically hand fitted nitrile with NuComfort® formulation

1st to introduce 300 piece gloves with EvoSoft silk-like softness

Face masks with 15% more breathing volume

Fluid resistance masks with HydroGuard® outer layer

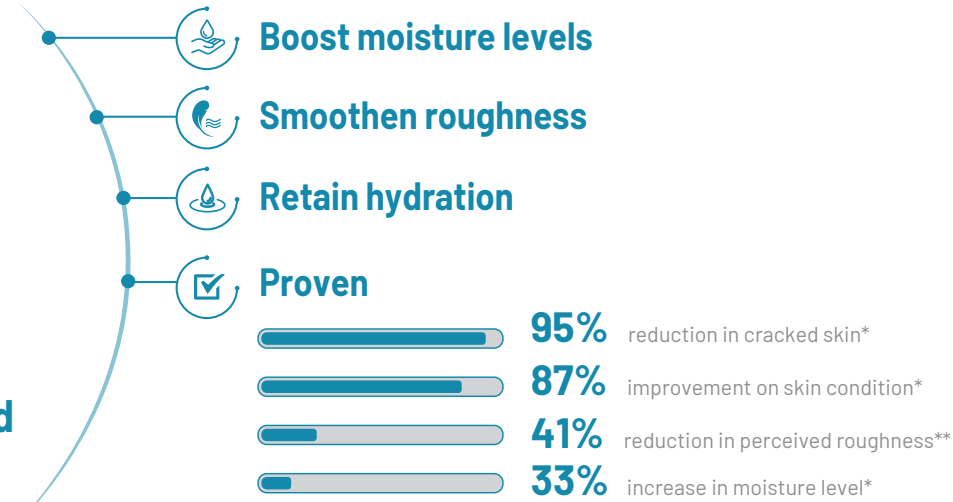

1st revolutionary 360° design offers comprehensive protection

MOISTURE LOCK

Powder Free Examination Gloves

Lab Tested
People Approved

In order to promote skin integrity, we have developed an innovative line of products coated with a proprietary formulation of lanolin and vitamins created to soothe symptoms of dehydration and irritation. Together, this powerful combination is designed to significantly improve skin health.

* Clinical Evaluation on Cyntek Gloves in the Dental Advisor, Vol. 25 No. 06

** Testing done by Switzerland-based Skin Test Institute comparing Cranberry's Lanolin and Vitamin E coated gloves vs. traditional non-coated gloves.

Lanolin + Vitamin E

Contour Plus⁺

NITRILE POWDER FREE

Examination Gloves

3220 Series

- Enriched with USP grade Lanolin & Vitamin E coating to minimize dry skin irritation.
- Delivers unprecedented tactile sensitivity and easy donning.
- Finger textured in our Pro-white color.
- 100 pieces per box by weight. Available in sizes XS-XL.

Lanolin + Multivitamins

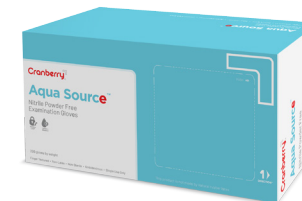

Crave[®]

NITRILE POWDER FREE

Examination Gloves

3550 Series

- Moisturizing Lanolin and Multivitamin to soothe, nourish, and hydrate skin.
- 200 Saver Pack maximizes storage space and reduces waste.
- Finger textured in a light blue color.
- 200 pieces per box by weight. Available in sizes XS-XL.

Lanolin + Vitamin E

Aqua Source[®]

NITRILE POWDER FREE

Examination Gloves

3440 Series

- Coated with a proprietary formulation of Lanolin and Vitamin E created to soothe symptoms of dehydration and irritation.
- Form-fitting formulation provides exceptional tactile sensitivity.
- Economic 200 Saver Pack maximizes storage space and reduces waste.
- Finger textured in a calming aqua colour
- 200 pieces per box by weight. Available in sizes XS-XL.

MOISTURE LOCK

Nitrile

Cranberry's renowned coated gloves are clinically proven to greatly reduce skin irritation from daily glove donning and hand washing. Our Moisture Lock® series helps to internally protect by preventing skin irritation such as dryness, itching, and cracked skin with unique lanolin and vitamin formulations.

Lanolin + Vitamin E

Luxe® NITRILE POWDER FREE Examination Gloves

3660 Series

- Coated with a proprietary formulation of Lanolin and Vitamin E created to soothe symptoms of dehydration and irritation.
- Form-fitting formulation provides exceptional tactile sensitivity.
- Finger textured in azure blue color.
- The first 300 count coated gloves in the market. Ultra 300 Saver Pack reduces storage space and packaging waste.
- 300 pieces per box by weight. Available in sizes XS-XL.

Sericin

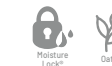

Silk-ON® NITRILE POWDER FREE Examination Gloves

3250 Series

- Contains sericin to form a silky protective barrier around the skin.
- Boost moisture levels, retain hydration and smoothen rough skin.
- Textured in Indigo Blue color.
- Ultra 300 Saver Pack reduces storage space and packaging waste.
- 300 pieces per box by weight. Available in sizes XS-XL.

Oat

Oat-ON® NITRILE POWDER FREE Examination Gloves

3290 Series

- Colloidal oatmeal offers great protection for sensitive skin, helping to soothe and ameliorate atopic dermatitis and other pruritic and/or xerotic dermatoses.

- Moisturizing Lanolin and Multivitamin inner coating to soothe and moisturize skin.
- Textured in a pastel green color
- 100 pieces per box by weight. Available in sizes XS-XL.

CLASSIC

Latex

Latex gloves provide an excellent protective barrier due to its durability and integrity while remaining very comfortable to wear and easy to don.

Cranberry offers two versions each of powder free and powdered latex, all praised for their durability, soft comfort, and consistent grip.

Original® LATEX POWDERED Examination Gloves

3830 Series

- Premium low modulus and smooth surface finish provide excellent tactile sensitivity, strength, and dexterity.
- Lightly powdered for comfort and excellent donning efficiency.
- Natural latex color.
- 100 pieces per box by weight. Available in sizes XS-XL.

Zense® LATEX POWDERED Examination Gloves

3700 Series

- Low modulus for superior dexterity and comfort.
- Smooth surface provides excellent tactile sensitivity.
- Lightly powdered for comfort and easy donning.
- Natural latex color.
- 100 pieces per box by weight. Available in sizes XS-XL.

Sigma® LATEX POWDER FREE Examination Gloves

5810 Series

- Low protein content (50µg or less of total water extractable protein per gram) minimizes allergen and irritant exposure.
- Micro-textured surface delivers consistent grip in wet and dry conditions.
- Exclusive non-stick polymer coating ensures smooth and easy donning.
- Natural latex color.
- 100 pieces per box by weight. Available in sizes XS-XL.

Zense® LATEX POWDER FREE Examination Gloves

5700 Series

- Developed with NuPoly™ technology which optimizes moist donning efficiency.
- Micro-textured surface provides consistent grip in all operating conditions.
- Natural latex color.
- 100 pieces per box by weight. Available in sizes XS-XL.

REPEL

4-PLY Fluid Resistance Face Masks

15%
MORE Breathing Volume

Cranberry® Exclusive Quad-Fold® Design

VS.

3-Fold

Exclusive Secure Protection

4-PLY protection for
≥99% Bacterial Filtration Efficiency (BFE)
≥99% Particle Filtration Efficiency (PFE)
@ 0.1 micron.

Maximum Fluid Resistance

Innovative HydroGuard® layer provides superior fluid resistance. Exceeds most stringent ASTM F1862 fluid-resistance performance specification at 160mmHg.

Comfort Design

Exclusive Quad-Fold® design provides 15% more breathing volume. Revolutionary CoolSilk® lint-free inner layer provides a cool and long lasting soft feeling without fluffy irritation.

Our exclusive 4-PLY Repel face masks provide ASTM Level 3 protection, the highest level of protection available by ASTM standards. These high fluid resistance masks (160 mmHg) with our unique HydroGuard® layer ensures secure protection and optimum bacterial and particle filtration @ >99%.

Repel® 4-PLY FACE MASK

R2960 Series

- Dye-free, chemical-free, and lint-free inner layer.
- Made with 100% latex-free and fiberglass-free filter layers, and cushioned earloops for added comfort.
- Unique outside-in loop wrap design and full length nose guard help to provide secure and comfortable protection.
- 50 pieces per box.

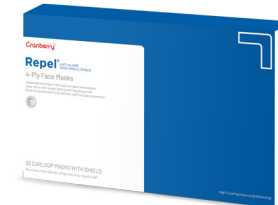

Repel® 4-PLY FACE MASK

ANTI-FOG

R2970 Series

- Exclusive non-woven anti-fog cushion greatly reduces fogging of eyewear.
- Dye-free, chemical-free, and lint-free inner layer.
- 50 pieces per box.

Repel® 4-PLY FACE MASK

ANTI-GLARE
WIDE-ANGLE SHIELD

R2980 Series

- Advanced ClearView™ film reduces glare and ensures clear vision with longer lasting anti-fog properties.
- Black UV-proof outer strip delivers optimal glare prevention.
- 25 pieces per box.

S3

4-PLY Skin Health Face Masks

15%
MORE Breathing Volume

Cranberry® Exclusive Quad-Fold® Design

VS.

3-Fold

Soft Feeling

Revolutionary CoolSilk® lint-free inner layer provides a cool and long-lasting soft feeling without fluffy irritation.

Smooth Breathing

Ultra-efficient Breath EZ® filter delivers excellent breathing efficiency. Quad-Fold® design provides 15% more breathing volume to prevent unpleasant moisture build up.

Secure Protection

> 99% Bacterial Filtration Efficiency (BFE)
> 99% Particle Filtration Efficiency (PFE)
@ 0.1 micron.

S3 face masks are designed with healthy skin in mind with exclusive S3 features that provide skin soothing benefits. S3 offers ASTM Level 3 protection, providing >99% bacterial and particle filtration with our Breath EZ® filter for exceptional breathing efficiency.

S3™

S3060 Series

- Dye-free, chemical-free, and lint-free inner layer designed with sensitive skin in mind.
- Unique outside-in loop wrap design and full length nose guard ensures secure and comfortable protection.
- 50 pieces per box.

S3™ C2

Cucumber Extract & Mild Cucumber Scent

S3070 Series

- Proprietary inner layer enriched with cucumber extract and a mild cucumber scent, an ingredient known for its skin nourishing, softening, and cooling properties.

- 50 pieces per box.

S3™ ACE

Active Aloe, Vitamin C & Vitamin E

S3080 Series

- Proprietary inner layer enriched with Aloe Vera, Vitamin C and Vitamin E, ingredients commonly used for their skin moisturizing, soothing, and healing properties.

- 50 pieces per box.

- Strong and durable soft cloth-like ties are adjustable for the perfect fit.

- 50 pieces per box.

CARBON • COSMO

4-PLY Fluid Resistance Face Masks

Carbon®

4-PLY Face Mask

C2900 Series

- Quad-Fold® design provides 15% more breathing volume.
- Redesigned mask folds dispel outer fluid collection.
- Full black masks (including earloop) for a different color experience.
- 50 pieces per box.

cosmo®

4-PLY Face Mask

C2700 Series

- Quad-Fold® design provides 15% more breathing volume.
- Revolutionary CoolSilk® lint-free inner layer provides a cool & long lasting soft feeling without fluffy irritation.
- Available in 3 iridescent dual colors for a unique dynamic visual appeal.
- 50 pieces per box.

Cranberry's ASTM 3 protection face masks offers the highest protection. Stylish in design with high fluid resistance protection. Our Quad-Fold design provides greater comfort with 15% more breathing volume and better fit. With adjustable upper and lower nose metal strip, it reduces the gap between the upper and lower adjustments.

360

4-PLY Full Coverage Face Masks

360®

ASTM LEVEL 2

4-PLY Face Mask

Q2860 Series

- Revolutionary 360 design provides a complete full coverage protection.
- Innovative curved edges design to conform with different faces.
- Anti-fog cushion aid in absorbing fog & sweat.
- HydroGuard® layer provides superior fluid resistance @160mmHg.
- 40 pieces per box. Available in 2 sizes to accommodate different face shape.

360®

ASTM LEVEL 3

4-PLY Face Mask

Q2810 Series

- Revolutionary 360 design provides a complete full coverage protection.
- Innovative curved edges design to conform with different faces.
- Anti-fog cushion aid in absorbing fog & sweat.
- 40 pieces per box. Available in 2 sizes to accommodate different face shape.

Cranberry 360 Face Masks feature an exclusive 3D design for complete full coverage protection. The mask forms a V-shape that prevents collapse, and the sides of the mask are designed with curved edges that allow the mask to lay flat against the skin, removing gaps commonly found with pleated masks.

SMART

Dental Dam

High tensile strength for uncompromising tear resistance

Protein rated <50ug to minimize latex allergen exposure *

High color contrast for optimal visual acuity

Unique spearmint coating exclusive to Cranberry

Powder-free

With low modulus elasticity and uncompromising tear resistance, studies have proven that Cranberry Smart Dam has a 950% elongation at break with 98% less latex protein and 80% less powder**. Smart Dam offers a high color contrast for optimal visual acuity and is available in both latex and non-latex versions with medium gauge thickness.

* Latex dental dams only.

** In comparison to market leading brand of latex dental dams.
